Our doctors have an enormous breadth of experience and are all residents of the local community. Not far from our clinic is the Wesley Hospital where we have developed a cultivated network of highly trained specialists whom we can rely on for more expertise and skilled advice. We aim to provide a very personal general practice service covering a broad range of areas including cosmetic medicine, skin care and anti-ageing treatments.

New Patients are welcome at our clinic

Street parking available

To book an appointment call reception

To ensure a thorough treatment we require your personal information

Please let reception know if your personal information changes.
Please bring your Medicare card, current medication list and next of kin contact details with you to assist us with this.

Results and Reminders:

Patients are to call for test results, or make an appointment with your doctor. If the results are abnormal or require urgent attention we will contact you.

We have a structured recalls and reminders to manage ongoing treatments.

Medical Records and Privacy:

Your medical record is a confidential file. It is the policy of this clinic to maintain security of your personal health information, and ensure that this information is only available to authorised members of this practice. For a copy of the privacy policy please ask reception.

To ensure continuity of care it is essential to have correct contact information for patients, this allows staff to contact you for results and/or appointments.

Be sure to check your phone number and address with reception.

For patients over the age of sixteen Medicare requires that the file contain your contact information and that a parent or guardian cannot be spoken to on your behalf. (unless your consent is given and recorded in your file).

All information is private and confidential
